

Brand New Creature

Words and music by Troy McIntosh and Joshua Jeneration

1

Well I know where I've been
And I know who I am
And I know my tomorrow is alive in Your hands
But what will they think of me?
Will they see that you set me free?

channel 2

The times that I ran from You
What I claimed I would never do
The sights that my eyes have seen
The places that my feet have been
The shame that I keep inside
The sin I can't seem to hide
Can You fill up my emptiness?
Can You clothe all my nakedness?

choir

I can lift up my hands, I can even dance if I want to
I get lost in Your praise, spirit can't contain how I want You
I can know that I'm free, I can even be what I want to

verse

Leaving those things behind
You're conforming my mind
I can breathe in my spirit
I can walk in new life
I confront this temptation
And rest in salvation

channel

The grace You've grown in me
The shape that You molded me
The plans that You wrote in me
The Word that You spoke in me
The love I have inside
The light I could never hide
A vessel to be used by You
Help me do what You called me to

All You brand new saints of God
Can you say, "Hallelujah"
Let me see you raise your hands
Let me see you do yo' dance
If you know that you've been saved
Can you shout a holla praise?
If you love the Son of God
Let me see yo' head nod
