

Come (Shepherd's Response)

Words and Music written by Troy McIntosh and Joshua Jeneration ©2002

Come
You who are weary come
You who are heavy come
I am He
Who will be
All that you'll ever need

When there are chains that bind
Prisons inside your mind
I'm the key
I will be
All you need to be free

When you are burdened down
No other love is around
I'm your friend
And I am
Devoted until the end

Who is your King of Kings?
The lover that makes you sing?
I am love
I am hope
I am everything
