

# Deeper

Music and lyrics by troy mcintosh © 2003

## 1

When I wake up  
In the morning  
You inspire me, You excite me  
With brand new mercies  
I soon will see  
Your glory is always abounding

## 2

I want to show You  
How much You've touched me  
In so many ways  
I give You praise  
Lord You know that I

## chorus

Your love keeps getting deeper  
Your love keeps getting deeper  
Your love keeps getting deeper  
And deeper  
And deeper  
And deeper the closer I get to You

## 3

Show me You care  
Your promises soothe me  
Your words renew me  
Like a flower needs  
To see another sun  
I just can't wait  
For morning to come

## chorus

Your love  
Keeps getting deeper  
Your love keeps getting deeper  
Your love keeps getting deeper  
And deeper and deeper  
The closer I get to You

## 4

How far -- how wide  
How deep is Your love?  
Great is thy faithfulness

There is no one above  
Whose arms are so strong  
To lift what I owe  
Who can dive deep enough  
To explore this love I know?

**chorus**

Your love  
Keeps getting deeper  
Your love keeps getting deeper  
Your love keeps getting deeper  
And deeper and deeper, Your love  
The closer I get to You  
And higher and wider  
And deeper, the closer I get to You
