words and music by troy mcintosh ©2002

verse 1

Lift those hands , 'cause He's worthy
Lift those hands, 'cause He's great
We were made, to give Him worship
Lift those hands and praise the Lord today

verse 2

Clap those Hands, 'cause He's worthy
Clap those hands, 'cause He's great
We were made, to give Him worship
Clap those Hands and praise the Lord today

Change

He made us
A little lower than the angels
And He saved us
To give majesty and glory to His name
If you believe the same
Come on Zion
Lift those hands and praise the Lord today!

verse 3

Hallelujah, in His presence
Hallelujah, is the highest praise
Worship is what He desires
Hallelujah, praise the Lord today

Change
