

I Know My Savior Lives

Words and music by Troy McIntosh ©2003

chorus

I know my Savior lives
I am absolutely positive
Wanna tell you 'bout what He did
He died but He rose on the third day (yeah)
I know Jesus is alive
He's The Way, The Truth, and The Life
I'm so glad that His love is mine
And I know that I'm free because He lives

verse

Everybody come and see a man
Who chose me before the world began
I was lost but He had a plan
To trade His scars for my righteousness
Everybody come and see a king
He's the ruler of everything
He's the reason that I sing
And I know that I'm free because He lives

chorus

bridge

Died on a Friday
Rose on a Sunday
Seen among many,
Taken to Glory
I do believe He's the soon coming King
He is God – He is everything! (everything)

He is risen, He is risen indeed! (4x)
My God is Risen, He is risen indeed!
Thank you Jesus, He is risen indeed!
