

# More Than Many Sparrows

words and music by troy mcintosh © 2002

## verse

Have you ever had one of those days  
When your worrying weighs more than your faith?  
And your fear has you locked up in space  
And it's hard to pray

Well, I think I just had one of those years  
When my smiles were outnumbered by tears  
And I struggled for the strength to believe  
You were really there for me...do You really care for me?

## chorus - joshua

*I am there before you fall on your knees  
I am able to do more than you can ask or think  
My word is true,  
I love you  
More than many sparrows*

*I'm tomorrow before this day's sunrise  
I do everything I promise and I never lie  
My word is true  
I love you,  
More than many sparrows*

## verse 2

I battled 'til I couldn't fight no more  
My face was in the church, but my heart was out the door  
But Thy kingdom come,  
Thy will be done  
This fight is Yours — all Yours — (it's the Lord's)

This staircase is a hard one to climb  
Every step I take, I feel like I'm one more behind (but)  
I think I see the Door in my sights  
And You're more than I ever imagined

## chorus

*Every time that you need a friend  
I'm there before you begin  
I'm able to be more than you need  
More than you can ever see  
See the lilies of the field, see the birds of the air, see the fish of the sea  
I meet their needs, I can meet your needs  
I love you more — so much more — so much more, more than many sparrows*
